3.1

This screenshot shows the 'Address Blacklist' management interface. At the top, there is a navigation bar with links like '订单管理系统', '仓配管理系统', '分销管理系统', '资金助手', '轨迹平台', '协同办公', '极睿选品', '刊登', '数据中心', '常用菜单', '版本:dev (kaifa)', '中文版', and '静静'. Below the navigation bar, there is a sub-navigation menu with '易仓科技' logo, '订单管理', '运营管理', '客服管理', '报表看板', and '系统管理'. The '系统管理' link is highlighted with a red box. The main content area has a breadcrumb path: '首页' -> '地址黑名单'. A search bar with placeholder '支持前后模糊搜索' and a '搜索' button are present. On the left, a table lists '受限名称' and '匹配的字符' for entries 1 through 7. On the right, a modal window titled '添加' (Add) is open, containing fields for '受限名称' (with placeholder '支持前后模糊搜索'), '状态' (set to '启用' (Enabled)), and '备注' (with placeholder '支持前后模糊搜索'). A note below the form explains the use of '%' as a wildcard character. At the bottom of the modal are '确定' (Confirm) and '取消' (Cancel) buttons. To the right of the modal, a list of blacklisted entries is shown with columns for '最后更新时间' (Last Updated Time), '操作' (Operations), and a timestamp column. A red arrow points from the '添加' button in the modal to the '批量导入' (Batch Import) button in the list view.

This screenshot shows the 'Address Blacklist' management interface with the 'Batch Import' dialog box open. The main interface is identical to the previous one, with the 'Address Blacklist' table and search bar. The 'Batch Import' dialog has a title '批量导入' (Batch Import). It contains a section for '地址黑名单' (Address Blacklist) with a '上传文件:' (Upload File:) field with a '浏览...' (Browse...) button, which is highlighted with a red box. Below it is a download link '模板: 点击Demo.xls下载' (Template: Click to download Demo.xls). A note says '注意: 仅支持 xls 文件' (Note: Only supports xls files). A warning message at the bottom states '提示: 当文件中数据存在异常时, 则导入失败!' (Tip: If data in the file is abnormal, import fails!). At the bottom of the dialog are '关闭' (Close) and '上传' (Upload) buttons. To the right of the dialog, the same list of blacklisted entries is displayed. A red arrow points from the '批量导入' button in the dialog to the '批量导入' button in the list view.

The screenshot shows the 'Buyer Blacklist' management page. At the top, there are tabs: '订单管理', '运营管理', '客服管理', '报表看板', and '系统管理'. The '系统管理' tab is highlighted with a red box. Below it, there's a search bar with '买家黑名单' and a dropdown menu for 'PayPal账户黑名单'. A red box highlights the '买家黑名单' button. The main area has filters for '状态' (All, Enabled, Disabled), '类型' (All, ID, Name, Mailbox, Tel), and '平台' (eBay, Amazon, B2C, Shopify, Zendesk, Magento, Wish, M2C, Zen-Cart, Lazada, Joom, ChannelAdvisor, Cdiscount, 沃尔玛, 1688, etc.). There are input fields for '受限名称' and '备注', and a '搜索' button. A modal window titled '批量导入' (Batch Import) is open, showing fields for '上传文件' (Browse...), '模板' (Template: Click to download Demo.xls), '注意' (Note: Only supports .xls files), and '提示' (Tip: If data errors exist in the file, import fails!). It also includes '关闭' (Close), '添加' (Add), and '批量导入' (Batch Import) buttons. Red arrows point from the '添加' button in the main list to the '添加' button in the modal, and from the '批量导入' button in the modal back to the '批量导入' button in the main list.

3.3 PayPal

--PayPal

The screenshot shows the 'PayPal Account Blacklist' management page. The top navigation and search bar are identical to the previous screenshot. The main area has filters for '状态' (All, Enabled, Disabled) and '匹配方式' (All, Precise Match). There are input fields for '受限名称' and '备注', and a '搜索' button. A red box highlights the '受限名称' field. A modal window titled '添加' (Add) is open, containing fields for '受限名称' (Email, required), '匹配方式' (Precise Match selected, with '精确匹配' and '模糊匹配' options), '备注', and '状态' (Enabled selected). Red boxes highlight the '受限名称' field, the '精确匹配' dropdown, and the '添加' button. Red arrows point from the '添加' button in the main list to the '添加' button in the modal, and from the '添加' button in the modal back to the '添加' button in the main list.

4.1

The screenshot shows the 'Order Audit Rule Creation' dialog box. On the left, there's a sidebar with filters for 'Address Blacklist' (状态: 全部, 启用), 'Audit Rule' (审核规则: 全部, 自动审核), and 'Priority Order' (优先级排序: 升序, 降序). A search bar for 'Rule Name' is also present. Below this is a table of existing rules:

NO.	Rule Name
1	未计算利润-人工
2	负利润-自动
3	无法计算-人工
4	TT_订单自动审核规则
5	andrew-未计算利润
6	可合并订单-自动审核
7	申报价值范围
8	负利润-未计算-人工

The main area of the dialog box contains several sections:

- Optional Conditions:** A list of checkboxes for various audit conditions, with the last four items highlighted by a red box:
 - 是否验证门牌号
 - 买家选择的运输类型
 - 订单平台运输方式数量
 - 订单是否存在地址黑名单
 - 指定地址黑名单
 - 订单买家存在买家黑名单中
 - 订单是否存在PayPal付款黑名单
- Action Settings:** Status (启用) and Audit Rule (人工审核) selection fields.

On the right side of the interface, there's a sidebar titled '重发订单自动审核设置' (Automatic Audit Settings for Resent Orders) with a table of audit rules and a 'Last' button at the bottom.
