Update - Wayfair Response Required

Complete Ticket

08/08/2021 11:05:28 PM - 0

Thank you for requesting an API integration. Please use this ticket for all communication with Wayfair regarding your set up. To begin onboarding, perform the below:

Step 1) Navigate to the User Management Page (<https://partners.wayfair.com/users>). Grant your accounts API permissions by clicking on the Edit button (Pencil icon) and clicking the API box within "Access Permissions." This grants access to our API Developer tools. You can also use the "Create New User" button to create a new Partner Home account.

Step 2) Navigate to our Onboarding Guide (<https://partners.wayfair.com/help/3/article/867>). Follow the steps outlined in this guide to complete API testing. You need to complete testing before you can go live.

Step 3) Update this ticket with a list of the API queries and mutations you would like to set up. Wayfair will validate your testing steps have been completed and grant you access to our live environment.

When you've completed these steps, or have questions or concerns at anytime, please post an update here and someone will get back to you right away.

导入商品

由于wayfair平台现在已不再支持维护导出库存接口, 所以没法再通过接口获取到商品明细数据, 现在调整为通过导入商品来进行按照商品的补货。

1. 登录wayfair店铺后台的Inventory > Inventory Management 点击左侧的 Inventory 按钮并选择 Inventory 按钮

2. 选择需要导入商品的店铺, 并且导入从店铺上下载的数据

店铺账户: 全部

注意: 已存在商品信息的情况下, 再导入该商品的数据。
